POSTGRADUATE COURSES
ON-THE-JOB TRAINING
SCHOLARSHIPS

THE PROGRAMME

Invest Your Talent in Italy

offers you an opportunity to develop your skills through a range of **Master's and Postgraduate courses in English** geared towards improving your academic, technical and professional skills.

On-the-job training at leading Italian companies, while completing your academic work, provides practical skills for your future career. **Scholarships and student support services** will aid you throughout your stay in Italy.

**OUR AIM IS TO CHALLENGE,
TRAIN AND HONE YOUR SKILLS.**

INVEST
YOUR TALENT
IN ITALY

**ON-THE-JOB
TRAINING**

The core of **Invest Your Talent In Italy** is the partnership between Italy's leading universities and major Italian corporations that have helped tailor courses to meet the requirements of the relevant industry. Thus each programme includes a (3 months) period of on-the-job training at leading Italian companies providing you with valuable work experience.

THE COURSES

Postgraduate courses in **Engineering, Advanced Technologies, Architecture, Design, Economics and Management** at top Italian universities designed in close cooperation with key businesses will boost your job prospects within a competitive landscape. All the lectures and teaching materials are in English.

GENERAL ENTRY QUALIFICATION REQUIRED

A three or four year bachelor's degree. Specific entry requirements will depend on the chosen course.

SCHOLARSHIPS AND MUCH MORE...

Once selected by the university of choice, you will have access to the opportunities offered by the programme: scholarships, reductions/exemptions in tuition fees, orientation and student support services!
